Many re-crediting systems are slow and complicated, often requiring long calls. The IJ-50 helps you avoid all that. Neopost's Credifon® system refills your machine with postage in just a few key strokes, getting you back to business in seconds – 24 hours a day, 365 days a year. Just dial the number, punch in your pin and key in the value. It couldn't be simpler!

Credifon® remote recrediting is operated by Neopost over a premium rate phone line charged at £1.50 per minute including VAT (£1.28 excluding VAT). Calls should last no more than 1 minute. You'll receive full and accurate account statements for your postage charges.

PRICING IN PROPORTION
